

UPDATE

Friday, January 21, 2005

This past weekend, I was invited to speak at the Jr. High retreat for our sending church, Calvary Baptist Church in Midland, MI. There were about 30 teens with us for the weekend. I preached three times and we had a wonderful time together. The teens made some great decisions concerning their relationships with their parents and concerning their commitment to put God first in every aspect of their lives. They were very responsive to the Word and that is exciting.

This same weekend, our sending church voted to take us on for support and that is a great blessing as well. We thank the Lord for their support to us in many ways including the use of the mission home while we are here in Midland.

Next weekend I will be preaching at a junior retreat for Northland Camp. Please pray with us that God will use his Word to convict the hearts of those who come and that He will give us great decisions and great fruit from the weekend.

In Christ,
Tim Chapman
