

UPDATE

February 2, 2005

Last Thursday, we drove to Northland Camp in Wisconsin. I preached a weekend Junior Retreat for about 85 young people. We had a tremendous time. It was a real blessing to be with our friends from camp.

On Saturday afternoon we had over 20 children come forward to say they felt God may be calling them into full-time ministry and that they desired that. We had some children get saved, praise the Lord! On Saturday morning, two boys came up to me and said there was a boy in their cabin who was really causing trouble but that they had been praying for him to be saved. They said he had gone out in the invitation. Just then, the counselor walked up and the two boys asked him whether their cabin mate had gotten saved. The counselor said he had and the boys started cheering. Praise God for young people that have a burden for others and that rejoice in God's salvation.

On Sunday, we were with the Northern Michigan Bible Church in Burt Lake, Michigan. Pastor Chatfield has labored faithfully there for many years and it was a blessing to be with him and his people. On Sunday night, we presented our ministry and I preached. We did some special music in both services. The church helped meet our needs through a generous love offering.

We will be with the Maranatha Baptist Church in Clarkston, Michigan this weekend. Thank you always for your prayers and concern.

In Christ,
Tim Chapman
