

- *UPDATE* -

Monday, April 25, 2005

We had a wonderful time in Simpsonville, South Carolina, at the beginning of this month with the people of Calvary Baptist Church. We thank God for churches like that which have a great heart for missions and missionaries. Their kindness and generosity was heartfelt and genuine.

On April 13th, I headed to Wisconsin to take part in the final two days of the Northland Baptist Bible College Missions Conference. On Sunday, April 17th, I was with Faith Baptist Church in Pembine, Wisconsin. Cheryl and Lauren were not able to be with me. However, we still had a great meeting with our friends there. We look forward to more fellowship with them this summer.

Faith Baptist Church in Pembine has been very involved in starting a church in Rhinelander, Wisconsin, which is about 70 miles west of Pembine. Pastor Mark Ring has been in Rhinelander for several months and they began to hold services on Easter Sunday. Beginning on Monday, April 18th, I preached three nights of evangelistic meetings for them. We had a wonderful time together. God is at work in that city in very obvious ways and it was exciting to see many people come to the services because they are hungry for the plain preaching of God's Word. I'm so thankful for the opportunity to have met some wonderful people there. Please pray for Pastor Mark Ring and his family as they seek to establish a Fundamental Baptist church in that needy city.

We're looking forward to a few weeks off now as we make plans for our summer ministry with Northland Camp. Our first prayer letter is set to come out next week and we look forward to staying in contact with many of you in that way as well.

In Christ,
Tim Chapman
