Friday, May 13, 2005

We've been enjoying a few weeks of rest while we prepare for the summer. My brother and sister, David and Karen, are spending two weeks with us now that they are done the school year at Bob Jones University. They joined me for a special evangelistic outreach at Maranatha Baptist Church in Clarkston, Michigan, on Wednesday night, May 11<sup>th</sup>. God was good to us, and a number of young people, both children and teenagers, made salvation decisions. It was exciting to see Pastor Josh Wredberg and his leadership with the young people.

On Saturday, May 21<sup>st</sup>, I will be flying out to Lansdale, Pennsylvania for a week-long class. It is the last class I have to take to finish my work for an MA degree in Theology. As soon as I get back we will head to Northland Camp to begin our ministry there for the summer.

May God bless each of you as you continue to serve Him!

In Christ,  
Tim and Cheryl Chapman
