I had a great time last week in Lansdale, PA, as I took the last class I have to take to complete my MA degree. I have a little work to finish for that class and then I should be able to receive my diploma in December. I'm very thankful for our friends Tom and Barb Smith. I stayed with them last week and had a great time with their family.

I flew back to Michigan late Friday night, and on Sunday we drove to Northland Camp. We are in the middle of our staff training week and it is neat to see who God has brought to work on our staff this summer. Cheryl and I count it a great blessing to be able to minister for the summer with some dear, godly friends who we truly love. The greatest friendships are those which have at the foundation of the relationship a spiritual kinship and camaraderie.

Please pray that God would pour out His blessing on us this summer and that the Holy Spirit would do all that He wants to do in the lives of our staff this week and for the rest of the summer. We have a few deputation meetings on the weekends and we appreciate your prayers for those as well.

In Christ,  
Tim Chapman
