I had been back from Peru less than a week when I got back on a plane and flew to Knoxville, TN. I spent five days with Pastor Tom Craig and the Oak Ridge Baptist Church. I had a great time with Pastor Tom and his family. It was great to spend time with Jon and Beth Kopp also. Jon and Beth worked several summers at Northland Camp with us, and he has been the youth pastor at Oak Ridge now for a year. I had a great time with the kind people of Oak Ridge Baptist Church. They provided for us to go shopping while I was there and we were able to purchase an excellent digital camera. They are genuine people and I'm excited about what God is doing in that church. We are thankful for a great relationship with Pastor Tom and the church.

On Sunday, September 11th, we began a Missions Conference with Hope Baptist Church in Hope, MI. The people there were a real blessing to us. It was neat to see their love for God and their love for missions. The church is only 12 miles from our home, and that's a good thing because on the last day of the conference our little son was born.

We went to the hospital around 4:00 Wednesday morning, and Micah Timothy was born at 1:12 that afternoon. We praise the Lord for giving us our first son, and we thank Him for allowing everything to go without trouble and for a healthy mother and baby.

I am headed to Mio, MI, today for a Missions Conference. Please pray for Cheryl while I am gone. Thank you for praying for us along the way.

In Christ,
Tim Chapman
