Wednesday, October 5, 2005

I had a great time with the people of Mio Baptist Church at their Missions Conference two weeks ago. Pastor Greg Baker, from the Toronto, Canada area, was the keynote speaker. It was a privilege to get to know him and to hear him preach. He pastors the largest fundamental church in Canada, and it was exciting to spend time talking with him. I really enjoyed Pastor Glynn McMorris and his wife. They have worked hard in a difficult place for 15 years and it was neat to see how God has blessed their labors in northern Michigan.

Cheryl and I are in the middle of four weeks of "down time." Our next meeting is a Missions Conference with Brookside Baptist Church in Brookfield, Wisconsin, starting October 22<sup>nd</sup>. This is our first break since May, and we are enjoying it. Cheryl, of course, has her hands full with a new-born baby and a rambunctious two-year old. I've been able to help her in the house a lot so far, and we have enjoyed this opportunity to focus on our family.

Calvary Baptist Church in Englewood, Florida, has taken us on for support. Pastor Bob McQueary is a friend of ours, and we are grateful that his church has decided to partner with us for the sake of souls in Latin America. We are officially at 44% of our support. Continue in prayer with us that God will make it possible for us to go to Peru by the middle of next year.

In Christ,  
Tim Chapman
