We spent Sunday, November 13th, with Pastor Bob Wall and the Fostoria Baptist Church in Fostoria, Michigan. I'm excited about what God is doing in that church. There is a great spirit of unity and commitment to the Lord. We truly hope they will choose to partner with us. Pastor Wall has led the church for several years with grace and faithfulness and it was a privilege to spend some time with him.

Last Friday we began a two-week trip. On Sunday, November 20th, we were with the Five Mile Baptist Church in Allegany, New York. Pastor Jim Mitchell has been at the church for four years. His people love and respect him and the church is reaching out to needy people in that area.

This week we will be with my Grandmother in West Virginia. My brother and sister, David and Karen, will be up to spend the week with us also. On Saturday, November 26th, we will head to Washington Court House, Ohio to be at a missions conference with the Fayette Bible Church.

In Christ,
Tim Chapman
