

Wednesday, December 7, 2005

Dear Friends,

This Sunday, December 11th, we'll have our last deputation meeting of the fall. We will finish the fall having been in eleven churches since the summer. Of these meetings, five have been missions conferences. We are excited about some great contacts we have made with churches this fall.

On September 14th, our son Micah was born. Everything went well, and he and Cheryl are healthy. We are very thankful! Of course, he decided to come two weeks before his due date as we were right in the middle of a missions conference. Cheryl, as you can imagine, was very happy about the early arrival.

We are officially at 48% of our support with 13 churches that have partnered with us at this point. I anticipate that we will need approximately 15 other churches to partner with us to be able to reach our support goals. Some churches have communicated to us that they plan to take us on in January.

Our spring schedule is shaping up to be quite full. We are planning to do most of our packing for Peru in January and February of this next year. From the end of February through April we will be on the road with most of our Sundays and Wednesdays scheduled.

Please continue to pray with us that we will be able to leave for Peru this next summer. I believe that is God's will for us so please pray to that end.

May the fruit of the Spirit be seen in each of you as you walk in obedience to the daily promptings of the Spirit!

In Christ,
Tim Chapman
