

On Monday we begin two very full weeks. Our friends Kevin and Isetta Moses are bringing three teenagers from their Christian high school in Chattanooga and they will be helping us with an evangelistic campaign at the Good News Baptist Church in Musa, Lima. They will be with us for 9 days. Pray that God will give us great fruit in that local church. I met with the pastor and a group of his leaders a few days ago and they are planning well and praying for God to do some good things during the campaign. I believe they will have unsaved friends and neighbors in attendance on our evangelistic nights.

The group leaves on Wednesday, April 4th, and that same night we start an evangelistic campaign with our own church in Santa Anita, Lima. I will be preaching three evangelistic nights for that campaign.

I will take a few family days the week after that and then we will be making our final preparations for moving into a new home. We've been seeking the Lord's will and are looking toward the possibility of buying a house or large apartment. We've found several nice homes in an area fairly near our church. Though we haven't been completely satisfied with any of them yet, we feel like the Lord may have something for us in that area of Lima. Pray with us as we seek the Lord's will concerning a house.

Cheryl, and our new baby, Abby, are doing well. We thank the Lord for his help in everything concerning her birth here in Lima. Thank you for praying about that for us.

We'll keep you updated as things progress concerning our search for a house!

In Christ,
Tim Chapman
